OBJECTIVE

Full Time Employment

EXPERIENCE

Laborer, Laborers Union 373

Pittsburgh, PA

05/2015 - PRESENT

I have done construction for various companies. I have performed many aspects of construction labor from jack hammering and pouring concrete, to roofing, as well as assisting carpenters with their duties and various other tasks.

Environmental Tech, U.S. Steel Clairton Works

Clairton, PA

05/2010 - 05/2015

Environmental Tech

412-233-1610 I am an environmental technician responsible for keeping battery emissions within government compliance by monitoring flow valves, checking back pressure gauges, and inspecting for gas leaks. Prior to this position I worked in production running machinery, using hand tools and doing physical labor/ simple maintenance. I am familiar with working with hydraulic and pneumatic equipment and also have some welding and burning experience. I too have worked with overhead cranes, jib cranes, and forklifts. I am used to working outdoors in extreme conditions, along with wearing all personal protective equipment and following OSHA regulations. Proficient in Microsoft word, excel, outlook, power point, and SAP.

Customer Service, ATT Communication Connection

pleasant hills, PA

12/2009 - 03/2010

At ATT I was in charge of day to day store operations in assisting customers in purchasing a phone. I was also responsible for managing store inventory and ordering supplies. The store has since went out of business.

Grand Central Pizza ,

Cook, grand central pizza

Elizabeth, PA

03/2009 - 12/2009

412-751-2002

Cook/ Driver

At Grand Central Pizza I cooked, cleaned, assisted customers, took phone orders, set up prior to opening and delivered.

Satellite Installation Technician, DirecTV

Pittsburgh, PA

09/2008 - 03/2009

724- 325-2008

Satellite Installation Technician

A technician for DirecTV is responsible for servicing the customers through installations, upgrades, and service calls. The job also required travel, promptness, good customer interaction and working safe in all weather conditions.

laborer, General Motors

West Mifflin, PA

06/2008 - 09/2008

I temporarily worked for the Fisher body GM plant in West Mifflin until it shut down a few months later. While there I ran forklift used manual metal presses and racked parts off the assembly line.

EDUCATION

CCAC

west mifflin, PA

Post-secondary education, no degree or certificate

09/2012 - 12/2014

Credits Earned: 21

Took college math, English, computer, and accounting classes

Elizabeth Forward Senior High School

elizabeth, PA

High school graduate or equivalency certificate (GED)
