Hello,

I have recently reentered the job market after a thirteen year career in the utilities industry, and actively seeking an opportunity to be an asset to you and your company.

This letter is to express my interest in one of a number of possible positions that may be available at your company. Based on my 30 years of experience and the skills that I've acquired during that time, I am confident that I would be a great addition to an already successful organization.

Please feel free to review my resume at your convenience. I believe it accurately highlights my ability, knowledge, expertise in the manufacturing industry. It also contains all of my contact information. You can access me, using any method listed, if there are any questions or to arrange a meeting.

Thank you in advance for your time and patience in reviewing my information. I would appreciate the opportunity to review my qualifications in more detail and will assist in any way possible.

George Martin
