WORK EXPERIENCE

Crew Leader

Arcelor Mittal - Steelton, PA - January 2006 to April 2013

Responsibilities

Assign job duties, set up preparation to pour steel, pour steel, do paperwork during the process of pouring steel, paper work during the stripping process of the solidified steel, run chemistry test samples, operate all overhead cranes, operate forklift truck, bobcat, also craft jobs of refractory brick Laying

Accomplishments

I found safer and simpler ways of doing certain jobs. Was a very good role model for safety on forklift bobcat and overhead crane operations

Skills Used

Leadership, hard-working, fast and safe crane operating, good bricklaying, easy to work with.

EDUCATION

High school diploma

West Perry high school - Elliottsburg, PA
1998 to 2000
